

Official Rules – Submitting an Entry

Entry deadline: 11:59 pm EST • May 2, 2022

Categories

Reliability Engineering for Maintenance • Asset Condition Management • Digital Twin
Work Execution Management • Leadership for Reliability • Asset Management • Digitalization • Sustainability

- 1. Entry form:** All entries must be submitted using the official electronic entry form. All information requested on the entry form must be provided. An incomplete form or a form providing misleading or false information will result in disqualification.
- 2. Eligibility:** Entries must meet all of the following criteria:
 - Products, software, training and services must be available for purchase in the United States.
 - An authorized representative of the solution provider (vendor) must complete the entry form verifying all information.
 - Entries must be submitted on behalf of the original sole supplier.
- 3. Supporting materials:** Each entry form must be accompanied by:
 - a. There is no fee for 2022 Reliabilityweb.com Marketplace Partners and IMC-2022 exhibitors. Entry fee per product, software, training or service is \$999 for all other applicants.
 - b. An illustration or photo (suitable for publication, color preferred) of the product, software, training or service (1000 x 600 pixel png or jpg)
 - c. 100-200 word product, software, training or service description
 - d. 3 ten-word benefits derived from product, software, training or service
 - e. URL of product, software, training or service on company web site
 - f. PDF brochure of product, software, training or service for voter download
 - g. Optional video link or video embedded code for product, software, training or service

No postal mailings will be accepted. Entry fee, submitted photos and other materials will become the property of Uptime Magazine and Reliabilityweb.com.
- 4. Limitation on entries:** There is no limit on the number of products, software, training and services or categories a company may enter.
- 5. Entry deadline:** Entries must be completed and submitted by 11:59 pm EST on **May 2, 2022**.
Winners will be notified by **June 3, 2022**. Other than announcement of winners, result of balloting will not be released.
- 6. Voting:** Voting will be supervised by the editorial staff of Uptime Magazine and Reliabilityweb.com. Their decisions are final.
Voting breakdown:
50% - popular vote 50% - Reliabilityweb.com jury
- 7. Getting the vote out:** Supplier entrants are encouraged to drive voting for their product, software, training or service through email and social media. Please use **#SolutionAwards** for additional promotion through Reliabilityweb.com and Uptime Magazine social media outlets. Reliabilityweb.com and Uptime Magazine will also promote the Solution Awards via email, digital editions and print editions.
- 8. Awards:** The Solution Awards will be presented for the product, software, training or service receiving the highest total number of votes in each category. A product, software, training or service may win only one award. One product, software, training or service receiving the highest number of votes will be awarded the Best Overall winner. A brief description of each Solution Awards winner's product, software, training or service will be published on event website.
- 9. Awards Ceremony:** The Solution Awards Ceremony will be held at IMC-2022 at the JW Marriott Resort on Marco Island, Florida. This is a live, in-person event, so all winners are required to attend (1 representative is required; additional ones may attend).
- 10. Entry fee:** There is no fee for 2022 Reliabilityweb.com Marketplace Partners and IMC-2022 exhibitors. Entry fee per product, software, training or service is \$999 for all other applicants. Payments can be made via credit card [HERE](#). Entry fees will not be refunded under any circumstances. Proceeds to be donated to the Family Initiative, Inc. for Autism Awareness.
- 11. Disqualification:** Any entry or vote that, in the opinion of the judges or administrators, does not meet the letter or spirit of this contest may be disqualified. The following specifically will be grounds for disqualification:
 - Entries that do not comply with all of these official rules.
 - Entries that are incomplete.
 - Entries that contain false or misleading information.
 - Entries submitted on behalf of anyone other than the original manufacturer or sole supplier.
